
DEEP TRACKS 1

¥40,000,000

Located just 200m from the Hirafu Gondola and built in 2004, this 1 bedroom apartment features all the amenities you'll need for self-catering with a fully appointed kitchen.

The basement has a shared laundry with washing machine and dryer, and a secure ski and snowboard storage facility and drying room.

This is a rare opportunity to own an apartment, at an entry level price, in a premium upper village location just steps away from the Hirafu Gondola and with glimpses of the majestic Mt Yotei.
